Care together
from anywhere!

Developed by Carers UK, Jointly is an innovative mobile and online app designed to support people looking after a loved one.

Cambridgeshire County Council is offering Jointly for free to carers in our area.

Are you looking after someone? Jointly helps keep everyone in the loop

Because sharing care is easier when you do it *jointly*

Jointly makes sharing care with others easier, less stressful and a lot more organised:

- One central place to store and share the important information about the person you are looking after.

- Simple, intuitive group communication to keep everyone informed and better connected.

- Shared task lists and calendar to help co-ordinate responsibilities and organise what needs to be done.

- Works across different devices: smartphone, tablet or home computer / laptop.

- Available at jointlyapp.com and through the Apple App Store and Google Play Store.

How does Jointly work?

Jointly works with circles of care.

You can create a circle of care for the person you are looking after.

Once you have set up your **Jointly** circle you can start using **Jointly** to organise care.

Use it to invite other people to join you and share the care or use it on your own.

How can I get Jointly?

Jointly is a paid for product, however, Cambridgeshire County Council is offering **Jointly** to you free of charge.

Use the voucher code provided below to get your free version of Jointly.

You can redeem this voucher at www.jointlyapp.com.

**Your Free Access
Code is:**

DGTL3385

Please note that the code is case sensitive.

How can I redeem a Jointly voucher?

You can only redeem a **Jointly** voucher online.

Visit www.jointlyapp.com. If you don't have an account with **Jointly** click [Sign up](#) and complete the form to create an account and then log in. If you already have a **Jointly** account, log in to your account.

On the right hand side menu find the [Create new circle](#) button on the right hand side menu. On the next screen please click on [Use Free Access Code](#) and then enter the code.

You will then be asked to create a circle for the person you are caring for. You can always edit this information later from the [Profile](#).

Once you have created a **Jointly** circle for the person you are looking after you can invite others to join you and share the care. There is no additional cost for you or the people you invite to join you.

Alternatively you can use **Jointly** on your own to organise the care around someone.

On which devices can I use Jointly?
